Getting Started in Online Banking

1. When logging in the first time, you will be asked to change your password, select new security questions and accept Terms & Conditions.
2. When logging in to Bill Pay the first time, you will be asked to accept Terms & Conditions.
3. Your accounts will appear in “tile view.” You can switch to the traditional “list view” by clicking on the list icon in the upper right corner of the screen.

Click the tile icon or the list icon to switch between tile and list views.
